

RENOLIT EP 2 AU

General purpose lithium soap based grease

Description

RENOLIT EP 2 AU is recommended for the lubrication of automotive chassis points. RENOLIT EP 2 AU is a multi purpose lithium 12 hydroxystearate grease, containing extreme pressure, anti-corrosion and anti-oxidation additives to maximise performance under low to medium temperature applications. RENOLIT EP 2 AU has good EP properties and protects against corrosion. It has resistance to mechanical shear and suitable as a multipurpose grease for applications in shock load lubrication.
